# LET'S START AN **ARTS MOVEMENT!**

Research suggests that engagement in arts-based activities for older adults contributes to quality of life, increased community interaction and helps build companionship.

**ARTS IN MIND** is designed for individuals with mild to moderate dementia and their care partners. We offer opportunities for individuals to foster dignity and sense of self, as well as building connections for you and your loved one, through arts engagements.

*No prior arts experience is necessary!*

## THE STORE

Find one-of-a-kind art and unique gifts at the The Store at Mesa Arts Center, an Artists Cooperative Gallery. A juried group of up to 60 Arizona artists make up the Co-op and offer their high quality, locally made paintings, pottery, jewelry, glass, scarves, photography and other art in The Store.

The Store features merchandise in a wide range of prices. You're sure to find something that fits your taste and your budget. And because the The Store is part of the Mesa Arts Center Foundation, there is no sales tax charged on your purchases. A portion of every sale supports the Foundation.

Also open during many major theater performances on campus.

# MEET THE STAFF

## MEET PHOTOGRAPHY INSTRUCTOR, PAMELA PARKER.

Pamela has always dreamed of being a photographer. Her life took her in many directions growing up and finally as an adult her dream came true. For Christmas in 2014 her husband bought her a DSLR camera and her journey into photography began. She realized very quickly that she needed to take classes in photography to improve her art. She registered in an online school based in the UK and graduated in July 2015.

She fell in love with wildlife photography and started submitting her photos to *Arizona Highways Magazine* for their Photo of the Day on their website along with entering their weekly "Friday Fotos" theme game on their Facebook page. Several of her photos have been featured on *Arizona Highways* website and their Facebook page. Her photograph of Papago Park was featured in *Arizona Highways* article about the history of Papago Park on their blog May 5, 2017.

She entered her first photography competition put on by *Arizona Highways Magazine* and was a finalist in the 2015-2016 Photo Contest. Her second photo competition was through *Arizona Highways* and Arizona Game and Fish; their calendar competition. Her photo of a Least Bittern Heron won and was the month of April in the 2017 Calendar along with an honorable mention of her Cottontail Rabbit. Her photos have been featured in the *Blue Guitar Magazine* 2016 and 2017 issues. She has had several bird photos featured on *Birds and Bloom Magazine* website and her Snowy Egret photo was Photo of the Week on *Birdwatching Magazine* website November 2016.

If she's not teaching belly dancing at the Mesa Arts Center you will find her with a camera in hand around the Valley or traveling the State of Arizona in the family RV looking for that one in a million shot.
