## WHAT IS THE ARTS IN MIND PROGRAM?

“THERE IS NOTHING  
MORE POWERFUL THAN

**ARTS IN MIND** is designed for individuals with mild to moderate dementia and their care partners. We offer opportunities for individuals to foster dignity and sense of self, as well as building connections for you and your loved one, through arts engagements. Ashley studied Industrial Design and received a BA in design management from Arizona State University. She works with a combination of hand-cast, organic objects and hand-fabricated sterling silver using traditional metalworking techniques. Her love for the small and overlooked bits of the natural world have influenced her work to be both detail oriented and ethereal in a way that draws the viewer in to take a closer look. Often inspired by her own artistic poetry and the poetry of others, she tends to create pieces that are filled with sentiment and encouragement.

Ashley is primarily self-taught, learning her techniques through books, videos, and experimentation. As for the casting process, she learned that here at the Mesa Arts Center where she now teaches her technique to others.
