Mesa Contemporary Arts Museum is proud to announce its Seventh Annual Original Print Calendar for 2018! The prints, ranging from relief prints to screen prints as well as etchings to lithographs, are all hand produced on acid free paper and adhered to the calendar with photo corners for easy removal for framing. Each of the twelve months has a different print and no two calendars are alike. This limited edition calendar, with only 65 available for purchase, is a great way to begin your own art collection or give as a unique holiday gift.

The juror for the 2018 Mesa Contemporary Art Museum Original Print Calendar was painter, printmaking and fine art book publisher Mark McDowell, who also is the founder of Tiny Satellite Press.
