- **Time and one-half:** 150% of the regular rate after 8 incurred hours per day and/or after 40 hours per week.
- **Double-time:** On hours worked between midnight and 8:00 a.m., on Holidays, and after 14 hours of work. Calls may start at 7:00 a.m. at straight time.
- **Holidays:** New Year's Eve Day, New Year's Day, President's Day, Martin Luther King Day, Easter Sunday, Memorial Day, Fourth of July, Labor Day, Veteran's Day, Thanksgiving Day, Christmas Eve Day, Christmas Day
- **Meal Period:** A 1-hour meal period must be given no later than the 5<sup>th</sup> hour after a call begins and cannot be given before 3 hours after the call begins, or after the last meal period. If the employee breaks for a meal period, they shall receive a 2-hour minimum call when they return to work.
- **Meal Breaks:** No more than 5 hours shall be worked between meal breaks. If the crew is required to work more than 5 hours without a 1-hour meal break, an additional charge of \$33.60 per person per hour will be charged on top of the prevailing rate until the crew is given a 1-hour meal break. In the event that a meal break is not feasible after 5 consecutive hours, the MAC may purchase a hot meal and schedule not less than a one-half hour meal break in which case the employee's time shall be continued. If the MAC purchases food for the crew, the costs incurred by the MAC will be passed onto the Licensee.
- **Breaks:** A 15-minute rest break shall be taken for every 2 or 2.5 hours worked.
- **Turnaround:** Unless 8 hours have elapsed from dismissal to the start of work on the following day, on continuing jobs, the employee shall return to work at double-time rates. However, during a same-day call if less than a 4-hour break is given, the employee stays on the clock. If during a same-day call an employee breaks from 4 to 7 hours, he or she will come back on continued time. This does not exempt the MAC from overnight turnaround.
- **Changing Crew:** The Licensee will not be permitted to change crews to avoid paying overtime wages.
- **Portions of the Hour:** All time is figured in 1-hour increments.

- Other labor companies: When hiring stagehands from an outside labor company, their rules may be different but still apply. If labor crew is cancelled with less than 24-hour notification, there will be an additional charge for all crew scheduled.
