

MESA ARTS CENTER

Seeking Artist Proposals

Mesa Arts Center is looking to commission a printmaker or graphic artist to create four (4) stamp designs for the Dia de los Muertos Festival in October 2024. These stamps will be used for a hands-on printmaking activity for youth and families. The selected artist will also be invited to help lead the printmaking activity as a paid festival participant.

We are seeking an artist with a personal, cultural, and/or aesthetic connection to Dia de los Muertos. The four designs must relate to the festival theme, be appropriate for all ages, be suitable for transfer onto a relief printing medium, and be no larger than 6" in any dimension. Mesa Arts Center will require an invoice in order to provide payment to the artist.

Proposals should include:

1. 1-3 examples of previous artwork,
2. A typed description and/or sketches of proposed designs,
3. A proposed stipend amount for the artist's time and materials.

Please email your proposals by **June 1, 2024** to hannah.cisneros@mesaartscenter.com
