Mesa, AZ – [2CELLOS](#), music's most electric and dynamic instrumental duo, announce the dates for their North American tour which kicks off in January. They will make stops in 41 cities including a performance presented by Mesa Arts Center at Mesa Amphitheater in Mesa, AZ on April 9, 2016. Tickets on sale now and available at mesaamp.com or 480-644-2560.

Propelled into international fame in 2011 after their version of Michael Jackson's "[Smooth Criminal](#)" went viral the Croatian cellists, Luka Sulic and Stjepan Hauser, continue to wow their fans with dynamic music videos and covers of today's most classic and popular songs.

Most recently their Baroque inspired, yet high octane head-banging video of AC/DC's "[Thunderstruck](#)" garnered over 45 Million views to date.

The duo returned to their rock roots on their recently released, critically acclaimed, third album [Celloverse](#).

2CELLOS playing style has broken down the boundaries between different genres of music, from classical and film music to pop and rock. They have no limits when it comes to performing live and are equally as impressive when playing Bach and Vivaldi as they are when rocking out.

They have sold out shows around the globe and also performed with Sir Elton John as part of his band, as well as opening his shows to rapturous acclaim.

2CELLOS are the first instrumentalists to be featured on *Glee*. They have also appeared on *The Ellen DeGeneres Show*, *The Today Show*, *The Tonight Show*, and *The Bachelor Live Wedding Special*. Their Sony catalog also includes: [2CELLOS](#) and [IN2ITION](#).

Sony Music Masterworks comprises *Masterworks*, *Sony Classical*, *OKeh*, *Portrait*, *Masterworks Broadway* and *Flying Buddha* imprints. For email updates and information please visit www.SonyMasterworks.com.
