*Star Trek: The Ultimate Voyage* is produced by CineConcerts, known for its popular live to projection, symphonic concert experiences. Justin Freer, Producer and Founder of CineConcerts said, “The *Star Trek* franchise has for many years been an important and meaningful part of our culture in so many ways. This exciting concert experience, featuring the greatest music and visuals spanning five decades, will be an extraordinary and memorable event.”

People of all ages and backgrounds will experience the groundbreaking and wildly popular musical achievements while the most iconic *Star Trek* film and TV footage is simultaneously beamed in high definition to a 40-foot wide screen. The concert will feature some of the greatest music written for the franchise, played by the Czech National Symphony Orchestra, including music from *Star Trek: The Original Series*, *Star Trek: The Motion Picture*, *Star Trek II: The Wrath of Khan*, *Star Trek IV: The Voyage Home*, *Star Trek: Insurrection*, *Star Trek: The Next Generation*, *Star Trek: Deep Space Nine*, *Star Trek: Voyager* and more. This never-before-seen concert event is perfect for music lovers, filmgoers, science fiction fans and anyone looking for an exciting and unique concert experience.

CineConcerts Co-Founder and Producer Brady Beaubien said, “When a story has renamed aircraft carriers, NASA space shuttles and the first names of thousands of children in hundreds

of countries, you realize these characters go beyond entertainment, but are more like family. *Star Trek* breaks every boundary of judgment or expectation. It inspires, challenges and re-thinks. *Star Trek* is who we want to be: inspired, fiercely loyal, and sometimes reckless.”

*Star Trek: The Ultimate Voyage* will be conducted by Justin Freer, who has quickly become one of the most sought-after conductors of film music with a long list of full symphonic live to projection projects under his belt, ranging from *The Lord of the Rings* trilogy to *The Godfather* to *Gladiator*.
