**Scott Bradlee's Postmodern Jukebox Performing Live at Mesa Arts Center**  
***Welcome to the Twenties 2.0 Tour***

April 17, 2019

**Mesa, AZ (August 14, 2018)** - To usher in the upcoming Twenty-Twenties, famed time-twisting musical collective Postmodern Jukebox will circumnavigate the globe in 2019 on their ***Welcome to the Twenties 2.0 Tour***. The tour will include a one-night-only performance at Mesa Arts Center, Wednesday, April 17, 2019, 7:30 p.m. The tour is meant to prepare the world for a new decade -- one that Postmodern Jukebox creator Scott Bradlee hopes will see a return to the style and craftsmanship that typified the music of past generations. Tickets go on sale Friday, August 17, and will be available at the Mesa Arts Center box office, at [MesaArtsCenter.com](http://MesaArtsCenter.com) or by calling 480-644-6500.

"Last time around the 'Twenties gave us Jazz, America's one true art form. Who knows what is possible in the 2020s?" says Bradlee. "One thing that is for sure is that there are a lot of folks that are tired of the clickbait headlines, mindless reality TV, and smartphone addiction that has only served to divide people in the last decade. We're using our small corner of the pop culture space to tell people to forget their troubles and come join us for a night of celebrating true musical talent and timeless style - live and in real life."

The Postmodern Jukebox, ***Welcome to the Twenties 2.0 Tour***, will host official Twenties 2.0 initiation performance parties in nearly 250 cities.

"When creating a touring version of the Postmodern Jukebox concept, we work on pairing the right talent with the right material and building a unique and amazing experience for Postmodern Jukebox fans," Bradlee says. "Get ready for the most sensational '20s party this side of The Great Gatsby."

Started by Bradlee in 2009, Postmodern Jukebox (PMJ) has gone on to amass over one billion YouTube views with 3.5 million subscribers and have chalked up more than 1.7 million fans on Facebook. For the past half-decade, PMJ has toured the world, playing hundreds of shows to sold-out houses on six continents. They've also performed on shows like "Good Morning America," topped iTunes and Billboard charts, and caught the attention of NPR Music, NBC News and a wide array of celebrity fans.

Mesa Arts Center is located at 1 East Main Street in downtown Mesa, AZ.
